TO WHOM IT MAY CONCERN

The International Lifesaving Federation (ILS) is the world authority for drowning prevention, aquatic lifesaving and lifesaving sport. ILS leads, supports and collaborates with national and international organisations engaged in drowning prevention, water safety, water rescue, lifesaving, lifeguarding and lifesaving sport. Over 30 million people in over 130 countries are involved Worldwide in drowning prevention, lifesaving and lifesaving sport. Our common vision is a world free from drowning. World-wide over 1.2 million people die by drowning, this is one person per 30 seconds. An unacceptable toll.

We herewith confirm that the Wodne Ochotnicze Pogotowie Ratunkowe is a full member of ILS is good financial standing. The federation is the sole organisation in Poland entitled to represent ILS in all matters, including lifesaving sport.

In connection with the preparations for "The World Games 2017" in Wrocław, Poland, we herewith confirm that the federation is selected to compete, besides 9 other countries in the Lifesaving Competitions at the 2017 World Games.

Yours sincerely
